

AFFIDAVIT

I, Devon Jermaine Dunham, being of lawful age and competent to testify, declare under penalty of perjury that I am the individual whose personal identifying information is referenced in this affidavit, that I have personal knowledge of the matters stated herein except where otherwise indicated, and that this affidavit is submitted to document identity theft, unauthorized use of my personal identifying information, violations of my civil rights, and disputed items appearing in consumer reporting and related public property and court records.

Declaration

I declare that the statements set forth below are true and correct to the best of my knowledge, information, and belief. I have repeatedly tried to file police reports regarding my properties being vandalized and broken into, theft of services and loss of use in my businesses due to allegations of my personal and professional character which have violated my 4th and 5th amendments.

Since 2021 I have been harassed, slandered, and entrapped with coercion by the City of Lawton, Lawton Police Department, and Comanche County District Attorney's office. I have been charged feloniously with crimes such as "Attempting to gain money under false pretenses, unauthorized use of a vehicle, posing as another to cause liability, and improper use of a notary" all of which are unrelated to title theft, or have been disproven as I either have legal title to the property as I did then, have warranty deeds on file, have equitable interest in, or have advertised, rented and sold lawfully.

Each time I have filed a police report or inquired the County Clerk I have not received any assistance. I never filed a deed or impeding instrument on another person's real property and have no knowledge of a company named "Arvest Capital" or its relation to an eviction. There has been precedence set in multiple civil litigations in where no-tunc-pro has been adjudicated which is what the process is for versus bringing felonious allegations against innocent citizens trying to defend their property.

As a victim of identity theft and real name "true identity" fraud I have been working to restore my credit profile personal identifiable information but keep receiving a different profile with an alias from the credit bureaus containing addresses that do not belong to me. My properties and family property have quit claim deeds and assignment of mortgages that do not belong on our fee simple and clear title property. I am the victim of title theft and not the suspect as alleged.

Fraud has perpetuated itself faster through the county with the use of mortgages disguised as liens, release of liens, assignment of mortgages, and quit claim deeds against Mr. Dunham's property that he owns and does not. An example is an **Assignment of Mortgage filed in Comanche County Court clerk's office on 11/04/2025 with an instrument date of 10/23/2025 in book 010024 pages 237-239**; Another is in instrument number I-2025-017808 which was an unrelated quitclaim deed dated 12/11/2025 and recorded on 12/11/2025; Another in book 01005 pages 0215-0218 recorded in **instrument I-2025-019753** was another example of impedance on his property; A lien in **book 010093 on pages 0070-0072 dated 1/23/2026 and recorded 1/29/2026 as instrument I-2026-01195** was another occurrence. Next, there was yet another assignment of mortgage placed on his Trust property on 4/27/2026 in **instrument I-2026-006396 in book 010178 on page 0045**, and finally another lien dated 5/01/2026 as instrument 2026-006678 in book 010182 on pages 0236-0241 was unlawfully recorded by the County Clerk's office on his property and are civil matters he tried to address prior to his frivolous felonious charges by filing the attached exhibit that was denied.

Statement of Facts

1. Mr. Dunham has had problems procuring representation in the County of Comanche and City of Lawton and has reached out separately to five individuals and firms of which all of whom have recommended Chance Rabon who is non-responsive and did not enter his name into the preliminary hearing as discussed and Mr. Dunham now needs indigent representation.
2. In early 2022 an instrument to be recorded in Comanche County Township 6 North was submitted to the County Clerk's office by Mr. Dunham to be filed and was given to the District Attorney's office who returned it to Counsel at the time, Mr. Larry Corrales and was given back to Mr. Dunham asking to no longer file any more instruments which proves this is a frivolous civil matter on behalf of the District Attorney's Office in violation of Mr. Dunham's civil rights.
3. A property has the wrong legal description on file and resolves to another property address with different tax records and has multiple multi-million-dollar mortgages belonging to other individuals and entities. Other properties owned on behalf of the Dunham Family and Trust show similar characteristics and have not been addressed by the County Clerk or Lawton Police Department after several requests.
4. The County of Comanche illegally filed assignment of mortgages and liens on Dunham's property which is referenced in this an affidavit that states "A fraudulent deed was filed in Crestview block 4,3,2", but in actuality describes the houses that are illegally attached to his property under his state registered private trust and trust company, Ourvest Capital & Trust Company.
5. In December 2021, Mr. Dunham was arrested for 2nd Degree Burglary and Breaking and Entering, for showing a house to a potential buyer and renter, and no charges were filed. Yet, none of his personal belongings that were confiscated were returned. More specifically: A 16" MacBook Pro Laptop, Dell Latitude Laptop, Apple iPhone 10 X, and Apple iPhone 11 Pro. The total of the missing devices is estimated to be \$4,500.
6. In 2022, Detective Darrell Burton volunteered to be interviewed by KSWO TV advising Crestview residents that Mr. Dunham was a "thief and attempting to steal their property" and slandered Mr. Dunham's good personal character and professional reputation, while failing to acknowledge he was not arrested for lawfully filing the Warranty Deed. Later that year, postal mail from The Dunham Dynasty Living Trust (his Family trust company) was unlawfully seized and searched by being read through violating his 4th amendment, and Mr. Dunham's real estate broker was contacted and given misinformation causing the release of his license.

1530 PB LN D9144 Wichita Falls, TX 76302

7. In 2022 in case 2022-CF-276 Mr. Dunham was charged feloniously with “Attempting to gain money under false pretenses, and unauthorized use of a vehicle” all of which have been disproven as a civil matter because Mr. Dunham had lawful title to the property, equitable interest, and the property was being shown, rented, and advertised lawfully on an Oklahoma Real Estate Uniform Contract which was not investigated or included in the arrest warrant and affidavits.
8. In April 2024, A mortgage closed and the dismissal was mailed from the mortgage company was mis-filed out of chronological order by the County Clerk to make it seem as if it was still in Foreclosure. This is what allowed the phantom assignments of mortgage and liens that were unlawfully filed to impede his property.
9. In May 2025, Mr. Dunham successfully closed on the property he was arrested for trying to sell in 2021 in cases CF-2021-78 and CF-2021-79, and his state taxes were paid in full, and the amounts were showing properly on the tax record. Coincidentally, the amounts and tax warrants recorded by County Clerk were never updated to reflect the amount that was paid in full and were on a different template than what was sent from the State of Oklahoma and the tax warrant was only released after Mr. Dunham asked repeatedly and reported the issue to the Lawton Police Department. Debra Dunham’s taxes were also paid at closing and not updated until April 2026.
10. In January 2026, phantom mortgage assignments, quit claim deeds, and county tax liens were filed on Mr. Dunham’s property impeding its marketability and when reported to the County Clerk and Detective’s nothing resulted or was acknowledged.
11. In February 2026, a “Memorandum of Trust” was filed by Mr. Dunham to protect his property from phantom mortgage assignments, quit claim deeds, and mis-represented taxes with clear instruction and notes to be recorded against his primary property. The document was referred to as fraud and forwarded to the District Attorney instead, who knowingly brought charges against Mr. Dunham for felony title theft in cases CF-2026-195 for a civil matter.
12. In March 2026, the included exhibit was a “Memorandum of Trust” and Affidavit instrument that was attempted to be notarized and recorded by Mr. Dunham, but Mary Sterling and was told that Detective Christopher Becker told her not to service any notary requests because of fraudulent actions by Mr. Dunham. This effectively slandered Mr. Dunham’s good personal character and professional reputation. Mr. Dunham then tried to record the documents only to having later discovered that a police report in his name for fraud had been opened by the Criminal Investigation Division and would not be released to him. The document was referred to as fraud and forwarded to the District Attorney instead, who knowingly brought charges against Mr. Dunham for felony title theft in a civil matter.

This significance of this incident is based on the precedence set in similar matter involving MidCon, an Oklahoma energy company, which reportedly encountered recording issues in Comanche County. In instrument 2026-001498, the Court Clerk’s Office allegedly refused to file the document, along with the related deed and mortgage for each affected section of the county. As a result, the vice president had to file a separate instrument and then submit an affidavit explaining the issue. This is a comparable example of Mr. Dunham’s situation as he was likewise unable to record his Memorandum of Trust or affidavits and contends that his civil liberties were violated

13. Later in March of 2026, Mr. Dunham's renter of his primary property assaulted him, forcing him to call Lawton Police Department and he was cited with Assault and possession of a vehicle using the wrong property address known to the Lawton Police Department to have been the home he was prior convicted of stealing. This was forwarded to the District Attorney who knowingly brought charges against Mr. Dunham without any evidence.
14. The next week Mr. Dunham went to serve an eviction notice on his primary property. The tenant had yet to be served, initiated contact first, and her protective order had expired, but he was arrested again for violation of her protective order when his was still in place. The entity formerly known as LPD, The Lawton Police Department, arrest affidavit contained mismatched personal identifiable information and incorrect profile details. In the next week, several properties owned by Mr. Dunham, his business entities, and family members all experienced phantom mortgages and mortgage assignments being recorded that were backdated to 1992 and previously not on record. Each of these instruments was documented and screen shot from the e-mail monitoring alert supplied by okcountyrecords.com. Again, when attempting to raise questions and show concern, nothing was reciprocated by the County Clerk.
15. In April 2026 in case CF-2026-195 during arraignment, Mr. Dunham's personal identifiable information was not confirmed by the judge and was listed erroneously on the charge sheet. In advance of the arrest, and during the same week, information was released to SWOK News with details that could have only come from the District Attorney's office or the entity formerly known as LPD, The Lawton Police Department which further exasperates violation of his civil rights.
16. The Lawton Corrections personnel at the City of Lawton Jail falsified personable identifiable information while Mr. Dunham was detained by giving incorrect address information on the fingerprint cards. Mr. Dunham refused to sign and scratched out the invalid information only to be transferred to Comanche County, then to Grady County, and then back to Lawton Police after being lost in the system for 2 days even after bail was posted.
17. Mr. Dunham has been identified by other credit bureaus as a victim of real name fraud and "true identity" theft by Equifax, Transunion, and Experian d/b/a Consumerinfo.COM. Other than Devon Jermaine Dunham, every other alias is fraudulent and is also misused in legal documents filed on OSCN.NET. The information below is being reported to the Lawton Police Department and details inquiries and accounts found on his credit profile unbeknownst to him.

1530 PB LN D9144 Wichita Falls, TX 76302

18. The address 927 SW 35th Street, Lawton, Oklahoma 73505, should not be associated with Devon Jermaine Dunham's profile. It first appeared through an SSN Tracker Alert on TransUnion on 11/28/2020, and again on 3/4/2022, 3/4/2024, 6/28/2025, and 9/5/2025 without authorization or knowledge. It has also been incorrectly, unlawfully, and repeatedly used during arrests and arraignments.
19. Mail has repeatedly been opened or compromised no matter the carrier. Some cellular equipment purchased online from ATT arrived and appeared to be opened and at closer inspection by an ATT store representative and Mr. Dunham, it was apparent that the devices had been switched or altered. The devices were returned via UPS only to be reported as undelivered and now appear to be lost.
20. Mr. Dunham's home internet, computers, Microsoft Active Directory Services, and alarm systems have been repeatedly compromised, switched, stolen, disabled or otherwise altered rendering the services unusable at times. There has been advanced malware infiltration of multiple devices, fiber connectivity cut, suspected unlawful video recording of personal areas, and wiretapping of devices without merit or warrant that was so advanced that it could have only come from a sophisticated municipality or government agency.
21. Many businesses have also experienced mortgage and bank related fraud and theft along with illegally obtaining loans and lines of credit against various properties as Ourvest Capital Corp. or Arvest Capital Corporation and it is not related to Ourvest Capital Corporation.

24. Selene Finance LP is reported by Experian, while **Equifax has deleted it as of 6/5/2026**, but was showing Selene Finance LLC and TransUnion reports payment terms that do not match the modification documents, along with mismatched balances, terms, dates and **account numbers**, and was **opened fraudulently** using real name identity theft in an alias of Devon J. Dunham and continues to report the wrong address that has consistently used by the entity formerly known as LPD, The Lawton Police Department.
25. On January 18, 2020, a Liberty National Bank account was reported as being opened according to Experian alerts. This was unbeknownst to Mr. Dunham and was not authorized and the bank was asked to close it.

Relief Requested

1. I request that all charges be dropped against me and re-investigated with the aforementioned evidence in consideration with the combined fact that it was not title theft and were civil issues of which mine were violated, along with any law enforcement and consumer reporting agencies, furnishers, creditors, and other relevant entities promptly block, remove, suppress, synchronize or otherwise cease reporting any account, tradeline, inquiry, alias, address, phone number, or other identifying information that is unauthorized, inaccurate, unverifiable, or the product of real name true-identity theft.
2. I request correction and deletion of all disputed personal identifying information, including aliases, addresses, employers, collections, and contact information that do not belong to me or were associated with my public and/or profiles
3. I request a reasonable investigation and written validation from each entity that accessed, used, furnished, or relied upon my personal identifying information, including the basis for each inquiry, account opening, tradeline, or report entry reflected in the records attached to this affidavit.
4. I request written confirmation of all corrections, deletions, blocks, suppressions, fraud flags, and other remedial actions taken in response to this affidavit.
5. I further request any other relief, protection, or corrective action available under applicable law to prevent additional misuse of my identity and to restore the accuracy of my consumer and related records.
