AFFIDAVIT FOR ARREST WARRANT

COMANCHE COUNTY

On this **3rd** day of **March 2026**, Detective **Brandon Becker**, being first duly sworn, upon oath deposes and says:

That probable cause exists to cause the arrest of **DUNHAM DEVON JERMAINE** for the public offense against said County and State, to wit:

Offense: Title Theft, in violation of 21 O.S. § 1534(B)

And that probable cause of the Affiant believing such facts exist as follows, to wit:

In the State of Oklahoma, County of Comanche, and City of Lawton, between 02/03/2026 and 02/10/2026, Devin Dunham did knowingly procure and cause to be filed of public record documents pertaining to real property located within Comanche County. The documents were accepted by the Comanche County Clerk's Office, file-stamped, and recorded. Court Clerk Carrie Tubbs later determined the filings created a false encumbrance against property owned by another individual. The documents were subsequently administratively removed due to concerns of fraud. At the time of filing, official property records reflected that Dunham, nor any entity associated with him, held record title or lawful ownership interest in the affected property. Dunham admitted during a recorded telephone interview that he brought the documents to the courthouse for filing. He further admitted filing eviction actions on property located at 906 NW Mickelgate while claiming ownership through an "assignment." Review of county property records did not reflect lawful transfer of title to Dunham or his company at the time of those filings. The filing of the documents impaired the true owner's property rights and constituted a false encumbrance. These acts establish that Dunham knowingly procured and caused to be filed of public record documents pertaining to real property with intent to deceive as to the veracity of the documents recorded.

The undersigned, upon oath, states that he/she has reasonable cause as set forth below to believe that:

1. An emergency ex parte or final protective order has been issued upon the defendant, pursuant to 22 O.S. 60.1 et seq;
2. A true copy and proof of service of the order has been filed with the law enforcement agency having jurisdiction in the area in which the plaintiff or any family or household member named in the order resides;
3. The defendant has received notice of the order and has had a reasonable time to comply with such order; and
4. The defendant has violated the order or is acting in violation of the order; AS HEREINAFTER DESCRIBED:

In the State of Oklahoma, County of Comanche, City of Lawton, on 03/31/2026 around 1021 hours, I PO David Singleton was dispatched to 925 SW 35th ST in reference to a violation of protective order situation. Upon arrival I made contact with Samira Johnson on the front porch of the residence. Samira advised she had a protective order against Devon Dunham, and he had contacted her through messages today and had went through her mailbox yesterday. Samira showed me the messages, and the email that they came from, which was mr@devondunham.com. I checked with LPD Dispatcher Ashlie Kilpatrick in reference to the protective order and she advised me that Samira did in fact have a valid protective order out on Devon (2026-204) and that it was valid through 3/6/2027. I was also advised that Devon was served his copy of the protective order on 03-21-2026. Devon was arrested for Violation of Protective Order (S22-60.6) and booked into the Lawton City Jail without incident.

In accordance with Title 12 O.S. Section 426:
I state under penalty of perjury under the laws of Oklahoma that the foregoing is true and correct.
