

AFFIDAVIT OF IDENTITY THEFT

I, Debrea Elaine Young Dunham, being of lawful age and competent to testify, declare under penalty of perjury that I am the individual whose personal identifying information is referenced in this affidavit, that I have personal knowledge of the matters stated herein except where otherwise indicated, and that this affidavit is submitted to document identity theft, unauthorized use of my personal identifying information, and disputed items appearing in consumer reporting and related records.

Declaration

I declare that the statements set forth below are true and correct to the best of my knowledge, information, and belief. I have repeatedly requested that soft and hard inquiries be removed from my profile, but each bureau has the conveyance that "it is typical to see small variations in reported personal information like names and addresses and that soft inquiries do not affect your credit score or profile." However, ambiguity within this data allows multiple credit profiles that belong to the same person to have hidden accounts with identical account numbers from the same creditor with mis-matching information such as balance and payment history which is different at each bureau and is directly related to the real name true-identity theft I am experiencing.

Throughout this affidavit will show accounts with disparate information from different profiles with data that has changed overtime from each credit report summary or dispute results report.

Except where expressly identified as authorized by me, the addresses, aliases, accounts, inquiries, and related activity described in this affidavit were not initiated, opened, authorized, or benefited by me.

Statement of Facts

1. I have been identified by other credit bureaus as a victim of real-name true-identity theft by Equifax, Transunion, and Consumerinfo.COM. I dispute every name other than Debrea Elaine Young Dunham and addresses other than 927 SW 35th Street Lawton, OK or 1316 NW Sheridan Road Lawton, OK 73505, Social Security Variation, Employer, Collection and other records listed in any bureau.
2. The address **925 SW 35th Street, Lawton, Oklahoma 73505**, should not be associated with my profile. **1316172 NW SHERIDAN LAWTON OK, 73505** is an invalid address as noted internally by Experian and does not appear on any other

bureau and was used to open fraudulently unbeknownst to me.

5. The capital one inquiries and are explicit evidence that fraud has ensued as it has a correspondence address related to American Express, is not updating the balances every month, only shows the payments, and is returning mail sent to the correspondence address listed on the dispute page. Remove all capital one accounts as they were opened and maintained fraudulently and are related to the SSN variation or another credit profile as Devon Jermaine Dunham.
6. PennyMac has an incorrect correspondence address and has been removed from the Devon Jermaine Dunham Equifax profile and my Experian profile but needs to be synchronized across bureaus as they have self-admitted to fraud and agreed that it was opened fraudulently.
