

AFFIDAVIT OF IDENTITY THEFT

I, Devon Jermaine Dunham, being of lawful age and competent to testify, declare under penalty of perjury that I am the individual whose personal identifying information is referenced in this affidavit, that I have personal knowledge of the matters stated herein except where otherwise indicated, and that this affidavit is submitted to document identity theft, unauthorized use of my personal identifying information, and disputed items appearing in consumer reporting and related records.

Declaration

I declare that the statements set forth below are true and correct to the best of my knowledge, information, and belief. I have requested that soft inquiries be removed from my profile, but each bureau has the conveyance that “it is typical to see small variations in reported personal information like names and addresses and that soft inquiries do not affect your credit score or profile.” However, ambiguity within this data allows multiple credit profiles that belong to the same person to have hidden accounts with identical account numbers from the same creditor with mis-matching information such as balance and payment history which is different at each bureau and is directly related to the real name true-identity theft I have experienced.

Statement of Facts

1. I have been identified by other credit bureaus as a victim of real-name true identity theft by Equifax, Transunion, and Consumerinfo.COM. I dispute every name other than Devon Jermaine Dunham and address other than 925 SW 35th Street Lawton, OK or 1530 PB LN Wichita Falls, TX 76302, Social Security Variation, Employer, Collection and other records listed in any bureau.
2. The removed capital one inquiries are explicit evidence that fraud has ensued as it has a correspondence address related to American Express, is not updating the balances every month and only shows the payments and is returning mail sent to the correspondence address listed on the dispute page. Remove all capital one accounts as they were opened and maintained fraudulently and are related to the SSN variation or another credit profile as Debra Young Dunham.

3. The address 927 SW 35th Street, Lawton, Oklahoma 73505, should not be associated with my profile. It first appeared through an SSN Tracker Alert on TransUnion on 11/28/2020, and again on 3/4/2022, 3/4/2024, 6/28/2025, and 9/5/2025 without my authorization or knowledge. I was informed that this address was linked to Merrick Bank, but it appears to be associated with other accounts opened fraudulently.

TransUnion shows a separate mortgage with a different account number totaling \$470 per month for 40 months, and the amount of \$662 from a different mortgage account, and show a new mortgage when it was a modification as provided to the CFPB portal.

5. I am not responsible for the 27 or more OneMain inquiries identified in report 4939-7524-60. The 29 soft inquiries listed below are concerning because they appear related to unauthorized accounts and activity that do not belong to me and were opened fraudulently using real name identity theft and should not be shown in my real name or true identity. **Exhibit #25 specifically needs to be removed as it was opened fraudulently in a different profile as well and shows to be a collection of corporate nature.**
6. I communicated with Experian concerning Dispute No. 194621928 to request removal of a disputed address, removal of a name alias, flagging of Nationstar, removal of four soft inquiries, and opt-out from prescreening but **I continue to get inquiries from Experian.**
7. **There has been a change in my Experian report in which Devon Jermaine Dunham shows as my real name and “true identity”. Every account listed was opened fraudulently as it was not opened using this profile and is shown in this profile because the bureau allowed it to be updated as such.**
8. Additional activity further supports my identity theft claim, including the following: (a) when I logged into Experian, a two-factor authentication text displayed a number that is not associated with my account;
 - a. The phone number shown in the image belongs to Debra Elaine Young Dunham
 - b. The same effect happens with Willie Roland Dunham with a 2030 suffix and 5527 social security number suffix.

Relief Requested

1. I request that all consumer reporting agencies, furnishers, creditors, and other relevant entities promptly block, remove, suppress, synchronize or otherwise cease reporting any account, tradeline, inquiry, alias, address, phone number, or other identifying information that is unauthorized, inaccurate, unverifiable, or the product of real name true-identity theft.
2. I request correction and deletion of all disputed personal identifying information, including aliases, addresses, employers, collections, and contact information that do not belong to me or were associated with my profile without my authorization.
3. I request a reasonable investigation and written validation from each entity that accessed, used, furnished, or relied upon my personal identifying information, including the basis for each inquiry, account opening, tradeline, or report entry reflected in the records attached to this affidavit.
4. I request that any collection, servicing, lending, foreclosure or delinquent reporting activity related to disputed or unauthorized accounts be suspended or blocked pending investigation and resolution.
5. I request written confirmation of all corrections, deletions, blocks, suppressions, fraud flags, and other remedial actions taken in response to this affidavit.
6. I further request any other relief, protection, or corrective action available under applicable law to prevent additional misuse of my identity and to restore the accuracy of my consumer and related records.
7. I respectfully request and attest that any creditor, consumer reporting agency, furnisher of information, investigator, or other recipient of this affidavit promptly investigate this matter, block and remove the fraudulent accounts noted above, cease reporting inaccurate information arising from identity theft, update my real name so that it reflects as it should, and provide any relief available under applicable law. I further request that any records reflecting unauthorized inquiries, applications, accounts, balances, or delinquencies related to this identity theft be corrected or deleted. Last, all profiles with suffix social security numbers ending in 5045, 5527, or 5057 need to be prevented from applying to credit scores on freeannualcreditreport.com by simply switching the numbers from the suffix of my social security number.

Attestation

Further affiant sayeth not. I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief. Except where expressly identified as authorized by me, the addresses, aliases, accounts, inquiries, and related activity described in this affidavit were not initiated, opened, authorized, or benefited by me.
