

AFFIDAVIT OF IDENTITY THEFT

Declaration

I, DEBRA ELAINE YOUNG DUNHAM, being first duly sworn, state under penalty of perjury that the following is true and correct to the best of my knowledge and belief.

I am an adult resident of Lawton, Oklahoma, Comanche County and I make this affidavit for the purpose of documenting identity theft, disputing fraudulent activity, and supporting the **removal or correction of unauthorized accounts, records, and related inquiries associated with my personal information that is inaccurate, incomplete, or unverifiable and must be removed or corrected regardless of any opinion of it being verified as accurate by a consumer agency.**

Facts

On or about February 2026, I discovered that one or more inquiries appeared on my Experian report that I did not authorize or was unaware of. These inquiries included soft-inquiries or similar entries that I believe were not legitimately initiated by me. Although certain illegal or unauthorized soft inquiries were later removed from my Experian report, the unauthorized accounts were nevertheless opened, attempted to be re-opened, or reported using my identity and personal information without my knowledge, permission, or consent. First Investors, Capital One, and Department of education have invalid correspondence addresses to send disputes and have not responded to any identity theft affirmations from any bureau and continue to report late payments and have not ceased collection activity as the profiles from bureau to bureau are not synchronized to show my real name, true identity, and address.

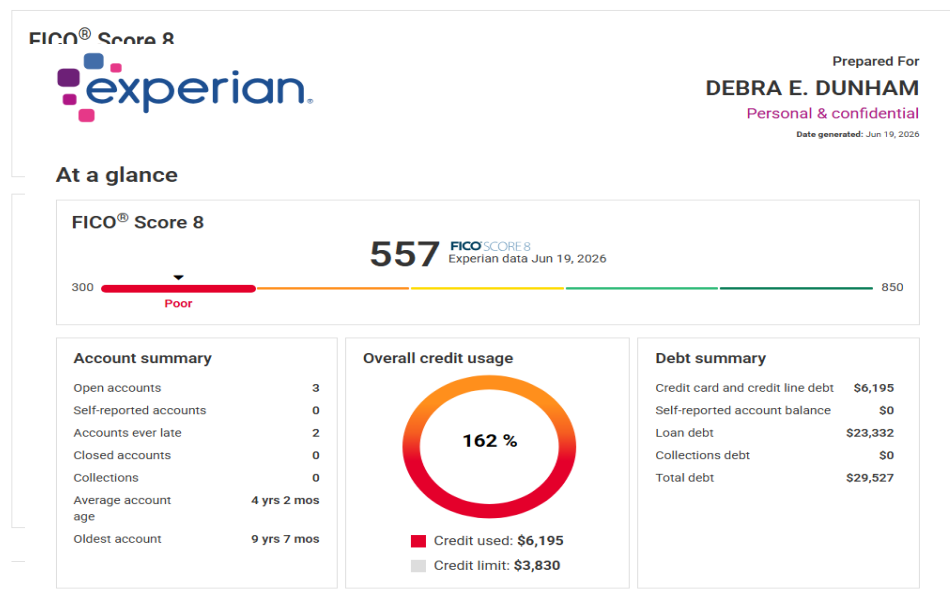

I did not open, authorize, apply for, use, possess, benefit from, or make charges on any such unauthorized account(s). I did not give permission to any person or entity to use my name, Social Security number, date of birth, address, or other identifying information to obtain credit, services, or any other benefit. Any account, application, inquiry, or transaction associated with these activities were made by an unauthorized person

The unauthorized actions and related items known to me at this time include:

1. Wrongful qualification of a Personal HELOC instead of a commercial mortgage product
 2. Privileged knowledge of social security numbers that created a duplicitous profile
 3. Acknowledgement of student loans accelerating to the exact price of the mortgage and causing debt to income ratio to rise whenever they were deferred
 4. Illegally opening a mortgage against another property using the primary credentials and profile with another person's personal identifiable information
 5. Violating RESPA by failing to furnish loan documentation
 6. Violating of FCRA by not confirming credit profile information with the owner
 7. Facilitating mortgage fraud by perpetuating false social security number inside of a credit report directed by him to be requested from the bureaus.
1. The student loans have been removed due to the invalid social security number variation on Experian have been removed but still show invalid Capital One and First Investor balances of which the creditor has not responded to identity theft affidavit and verification of debt. There were accounts modified or removed from the last summary report, yet the closed accounts need to be deleted. The score has dropped significantly, and nothing has changed other than the social security number has been updated from February 25, 2026, report 2487-2935-12 which proves a different profile. Equifax and Transunion both have an identity theft event confirmation that the Penny Mac and Student loans have been removed, and now nothing is shown on Experian. However, Equifax still reports an inaccurate real name and true identity of "Debora Young Dunham" which was a credit profile created and proliferated by Sovereign Bank, PennyMac, and the City of Lawton.

2. The address on file of **1316172 NW SHERIDAN LAWTON, OK 73505** has never been reported, is invalid, illegally attached to the report, and has finally been removed. All addresses need to be removed as there is either no lender reporting it, or nothing financially related attached to it, specifically **925 SW 35th Street Lawton, OK 73505 and 1316172 NW SHERIDAN LAWTON OK 73505**
3. The name Debra Elaine Dunham or Debra Eliane Young Dunham has never been used to apply for or collateralize any financial obligation and is proof of my real name and should not be removed. **Debra Dunham, DEVRA DUNHAM, DEBORAH DUNHSM, DEBORAH DUNHAM, Debra Young Dunham, Debora Young Dunham, Debra Y. Dunham, DUNHAM DUNHAM, Debra E. Dunham, Debra T Dunham, Debra Y Dunham, Debora Y. Dunham, and anything else besides my real name are aliases and the bureaus and consumer agencies should remove them and correct my real name as Debra Elaine Young Dunham.** Debra Dunham is trying to be associated with my profile but is incorrect as well. Experian has switched the profile from March 31, 2026, until today and it now reflects Debra Elaine Dunham. There is also an updated social security number from the last dispute summary proving a secondary profile unbeknownst to me.
4. **There were 56 capital one inquiries removed from the credit report which were not shown on the other profile. We received notice of another 10 possible accounts from an imposter and fraudulent Capital One creditor.**
 - a. In our previous affidavit submission that was reported on Experian Dispute Report **3710-3586-26**, there is a Capital One card 515676XXXXXXXXXX continues to report late payments even though it was being disputed. Ms. Dunham continues to get notices from Capital One about an account that does not show on her credit report but appears on her Son's.
 - b. It was requested for us to submit a dispute letter detailing the identity theft issue, and upon doing so, the mail to Salt Lake, UT was returned as a non-existent address and was different

from the correspondence address reported to the credit bureaus by Capital One leading us to believe that it is a AMEX or another company being fraudulently mis-represented as the real Capital One which has an address in Richmond, VA instead of Salt Lake, UT. **There are 2 30-day payments on the account, but it was restricted and not permitting me to make payments, although phantom payments were pushed through ACH unscheduled without my permission or knowledge.**

5. The PennyMac mortgage was opened fraudulently and simultaneously as our Sovereign mortgage using real name fraud and true identity theft of a fraudulent social security number and has incorrect closing disclosures, account information, and the wrong balances from the origination documents. We never authorized any PennyMac applications and started to notice inquiries from prior to the closing of our property, yet on the same day as we gave Sovereign permission to pull the credit report. The proof of this is contained within an e-mail message from David Madigan with a credit report attached showing a social security number of 250-02-5057 which is unknown to me.
6. Furthermore, there are missing and deleted inquiries I was told did not affect my credit report or score and were unable to be modified but was directly tied to Capital One, Department of Education, PennyMac and are now missing and deleted. The addresses instructed for correspondence do not work for any. PennyMac replied to our CFPB response and stated that there was categorically no hard or soft inquiries but our reports prove otherwise and as such, we have ceased all communication and payments to PennyMac and it has been removed from our Experian profile but still shows on Equifax and Transunion, whereas another profile with a different real name and social security variation of 250-02-5057, 440-02-8006, 250-02-5527 or 250-02-8006 that I cannot discern shows on Equifax and Transunion.
 - a. The payments say they started in July but do not match the mortgage from Sovereign and no payments were ever made directly to them.
 - b. The closing disclosures were recreated and clearly do not match what we signed at closing. The amount is incorrect and doesn't match the updated balance from April 08, 2026.
 - c. The welcome letter, note, and deed of trust have incorrect loan numbers, are not the original and the **FHA Mortgage Certification** is missing from the origination documents, and they do not have it either. None of the instruments were in the abstract filed in the county, but there is a release of lien that doesn't have my address or name or the previous owners.
 - d. <https://gitlab.com/city-of-lawton/evidence/dump/-/tree/release?reftype=heads> (city-of-lawton /  evidence / dump · GitLab) has all the evidence and <https://gitlab.com/city-of-lawton/sovereign-bank> has what pertains to this affidavit.
7. None of the Transunion promotional inquiries are legitimate and each one in the report is an illegal attempt to establish credit in my name and needs to be researched, investigated, and removed. **Some of the inquiries have been removed which conveniently helps to disprove the fraudulent accounts and need to have the associated and related name Id #'s or address ID #'s removed including deletion of the corresponding accounts.**

8. I received notification via SMS at the phone number on file even though I did not try to login and learned that it was from an unassociated profile that belonged to social security number variation of 5045, 5527 or 8006.

Relief Sought

I respectfully request and attest that any creditor, consumer reporting agency, furnisher of information, investigator, or other recipient of this affidavit promptly investigate this matter, block and remove the fraudulent accounts noted above, cease reporting inaccurate information arising from identity theft including reporting of late payments or the updating of balance histories, stop any and all foreclosure and collection activity, update my real name so that it reflects as it should, and provide any relief available under applicable law. As stated by the Federal Consumer Reporting Agency -- inaccurate, incomplete, or unverifiable information -- must be removed or corrected regardless of your opinion of it to be verified as accurate by a consumer agency, which I do request.

I further request that any records reflecting unauthorized inquiries, applications, accounts, balances, or delinquencies related to this identity theft be corrected or deleted. Last, all profiles with suffix social security numbers ending in 8006, 5527 and 5057 need to be prevented from applying to credit scores on freeannualcreditreport.com by simply switching the numbers from the suffix of my social security number and each bureau should synchronize the report with the other to ensure consistency across the reports.

1. Ms. Dunham request that all consumer reporting agencies, furnishers, creditors, and other relevant entities promptly block, remove, suppress, synchronize or otherwise cease reporting any account, tradeline, inquiry, alias, address, phone number, or other identifying information that is unauthorized, inaccurate, unverifiable, or the product of real name true-identity theft and more specifically, Selene Finance LP.
2. Ms. Dunham requests correction and deletion of all disputed personal identifying information, including aliases, addresses, employers, collections, and contact information that do not belong to me or were associated with my profile without his authorization.
3. Ms. Dunham requests a temporary restraining order and a preliminary injunction based on the fact that any collection, service, lending, foreclosure or delinquent reporting activity related to disputed or unauthorized accounts be suspended or blocked pending investigation and resolution.

4. Ms. Dunham requests written confirmation of invalid recorded instruments and mortgage assignments, quiet title if needed, and all corrections, deletions, blocks, suppressions, fraud flags, and other remedial actions taken in response to this affidavit. Moreover, should a delete be executed that a quiet title be performed and/or a mortgage release filed in the county records of Comanche Oklahoma.
5. Ms. Dunham further requests any other relief, protection, or corrective action available under applicable law to prevent additional misuse of my identity and to restore the accuracy of my consumer and related records.
6. I respectfully request and attest that any creditor, consumer reporting agency, furnisher of information, investigator, or other recipient of this affidavit promptly investigate this matter, block and remove the fraudulent accounts noted above, cease reporting inaccurate information and stop all foreclosure activity arising from identity theft, update my real name so that it reflects as it should, and provide any relief available under applicable law.
7. Ms. Dunham request that the **removal or correction of unauthorized accounts, records, and related inquiries associated with my personal information that is inaccurate, incomplete, or unverifiable be removed or corrected regardless of opinion of it being verified as accurate by a consumer agency.**

I declare under penalty of perjury that the foregoing is true and correct and that I have not benefitted from any fraudulent activity.

Attestation

Further affiant sayeth not. I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief. Except where expressly identified as authorized by me, the addresses, aliases, accounts, inquiries, and related activity described in this affidavit were not initiated, opened, authorized, or benefited by me.
